- Payment is expected at registration in the form of a check or cash. No credit cards are accepted for computer classes. Payment must be received before the participant is officially registered for the class.
- A minimum of 4 students is needed to hold most classes. It is up to the discretion of each instructor if a class will be held with fewer students. That decision will be made 2-3 days prior to the start of each class. Students should call and confirm that the class will be held 1-2 day prior to start if they have not heard from AG.
- **Cancellation Policies:** If you cannot take a class that you have registered & paid for due to a conflict in your schedule, you must cancel more than 5 business days prior to the class start date for a full refund. *If you cancel within 5 business days prior to the class start date, the class fee is non-refundable.* If AG cancels the class, full payment will be refunded.
- Windows 7 & 8 are no longer taught at AG CTC. Please inquire at the information window about a tutor if you need assistance.
- Students will use the classroom desktop computers for classes; laptops are discouraged. Individuals with no typing skills are encouraged to practice independently by creating an account at [www.goodtyping.com](http://www.goodtyping.com), prior to taking a class.
